## Maximum Green Turf Fertilizer

**WHEN TO USE:**  
April Through November

If you have taken very good care of your lawn, chances are, it is weed free. However, you will still need an application of fertilizer to maintain that lush green look. TURF LINE's Maximum Green NPK fortified fertilizer is formulated for application at any time. Our NPK formula contains all essential plant nutrients for healthy grass growth. In addition, timed-release nitrogen provides controlled feeding for a longer lasting lush green color.

Available in 5,000 and 15,000 Square Foot Bags

28-0-12

Provides All Essential Nutrients
